

Admin Section

Second biodata form

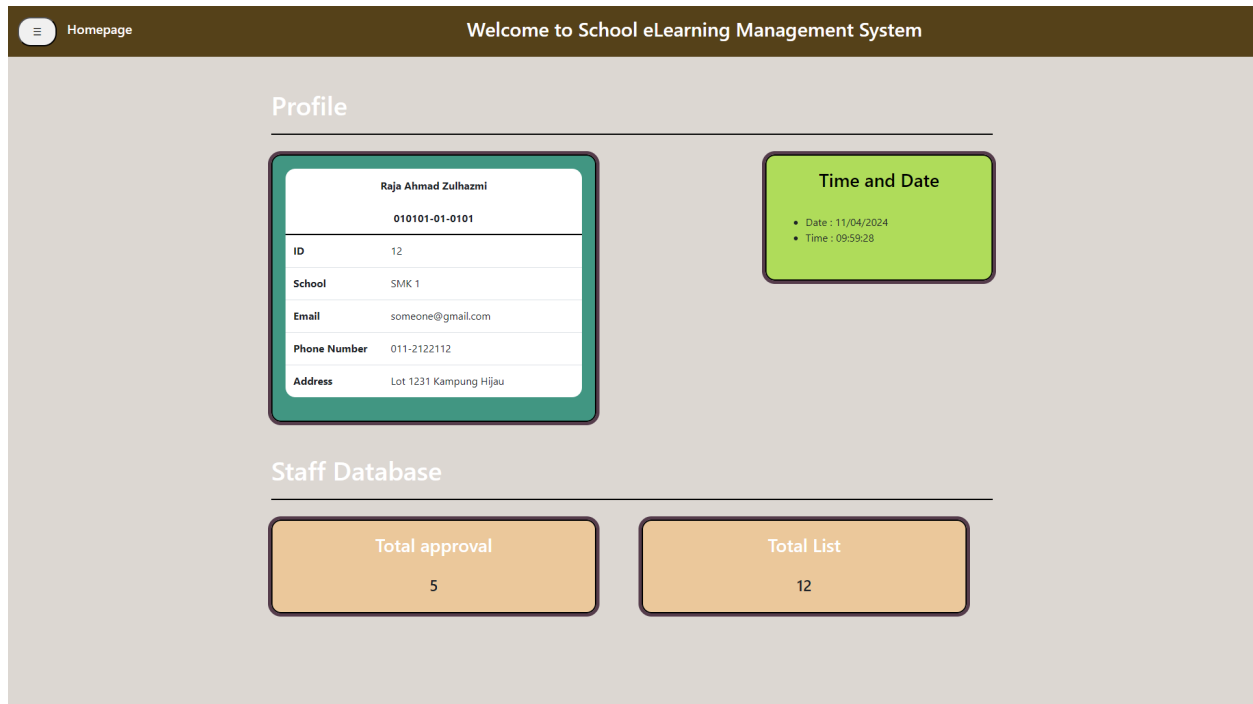

The image shows a login form titled "Enter admin biodata for security". The form is set against a light gray background. It contains the following fields:

- Name
- IC
- Password
- Class
- Email
- Phone Number
- Address

At the bottom of the form is a green button labeled "Login".

For security measures, if someone successfully breached the admin account, which is the most important role in this system, the invader will have to submit another form that contains all admin personal information, if the invader fails even one of the questions, a message will be sent to the admin regarding this incident.
