Parent homepage

The image shows a mockup of a parent homepage for a 'School eLearning Management System'. It features a dark brown sidebar on the left with navigation links: 'Parent' (highlighted in orange), 'Home' (green), 'Children', 'Result', 'Setting', and 'Logout' (with a door icon). The main content area is light gray and contains several widgets. At the top is a dark brown 'Welcome to School eLearning Management System' banner. Below this are two teal boxes: 'Welcome back' (showing 'Muhammad Amin') and 'Time and Date' (showing 'Date : 11/04/2024' and 'Time : 10:10:50'). At the bottom, there is an orange box for 'List of children' containing a table with 3 rows and 3 columns (ID, Name, IC), and a green box showing 'Total children' as '3'.

Enroll student

The screenshot shows a web application for enrolling students. On the left is a dark brown sidebar with navigation links: 'Parent' (highlighted in orange), 'Home', 'Children' (highlighted in green), 'Result', 'Seting', and 'Logout'. The main content area has a light gray background. At the top, a dark brown header bar contains the text 'Enroll student'. Below this, there are two buttons: 'Logbook' and 'Apply'. A section titled 'Search student name' features a search bar with the text 'David Johnson' and a magnifying glass icon. Below the search bar, a list of student names is displayed in a table-like format: Jane Smith, David Johnson, Michael Wilson, and Olivia Anderson. At the bottom, a yellow box titled 'Student Biodata' contains two input fields: 'Name' with the value 'Sample Name' and 'IC' with the value '123456-78-9012'.
