## Student homepage

The screenshots show the Student homepage of the School eLearning Management System. The interface includes a sidebar with navigation links: Student, Home, Parent, Classmate, Announce, Note, Quiz, Exam, Result, Profile, and Logout. The main content area displays a welcome message, a welcome back message with the student's name (Muhammad Amin), the current date and time (11/04/2024, 10:06:44), and a To-Do-List. The To-Do-List in the top screenshot shows 5 items, while the bottom screenshot shows 5 empty input fields for creating a new checklist. Below the To-Do-List, there is a section for the List of classmate and Total classmate (3).

Display the student's biodata, along with the current date and time. Total data from the parent, classmate, announcement, learning notes, quiz, exam, and result database will also be displayed for the convenience of students. Students can create a checklist for themselves at the To-Do-List. A total of 5 checklists can be created at a time. Checklists are used to remind the student of their important task on that day.
