Login Form

The image shows a login form UI mockup centered on a light beige background. The form itself is a light brown rectangle with rounded corners and a dark brown border. At the top of the form is the title "Login" in a dark grey font. Below the title are four grey buttons with rounded corners, labeled "Student", "Teacher", "Parent", and "Staff" from left to right. Under these buttons are two white input fields with rounded corners. The first input field has the placeholder text "Enter Identity Card" and the second has "Enter password". Below the input fields is a large, rounded green button with the text "Login" in white. At the bottom of the form, there is a link that says "Not registered? Register here" in a small, dark grey font, with "Register here" in green.

Use to login into 5 different role, that is

1. Student
2. Teacher
3. Parent
4. Staff
5. Admin(Can be accessed by not clicking into any of the 4 buttons)

Register Form

The image shows a mobile application registration form titled "Register". At the top, there are four tabs: "Student" (highlighted in green), "Teacher", "Parent", and "Staff". Below the tabs, the form contains the following fields:

- School:** A dropdown menu with the placeholder text "Select a school".
- Name:** A text input field with the placeholder text "Enter full name".
- IC:** A text input field containing the value "123456-78-9101".
- New password:** A text input field with a masked password "-----".
- Confirm password:** A text input field with a masked password "-----".
- Email:** A text input field containing the value "something@gmail.com".
- Phone Number:** A text input field containing the value "012-345678910".
- Address:** A large text input field for the user's address.

At the bottom of the form is a large green button labeled "Register". Below the button, there is a link: "Already have an account? [Click here](#)".

Use to register into any desired role. But for security measures, every staff account registered will be checked by the admin role first. If the account is a legitimate person, the admin will approve the account and the user can login into the website. For Student, Teacher, and Parent, it will be checked by Staff from each respective school.
